District: 8 – San Bernardino
Contact: Terri Kasinga
Phone: (909) 383-6799 (work)
(951) 232-4268 (cell)

PAVING PROJECT BEGINS ON STATE ROUTE 247

Lucerne Valley – Caltrans began an asphalt-paving overlay project on State Route 247 on Tuesday August 16, 2005, which will take place at five locations. The work hours will be from 9:00 a.m. to 4:00 p.m. Monday through Friday with lane closures. One lane will be closed and one lane open with flagging and pilot car assistance during work hours. The closures will be approximately 1-1/2 miles and traffic delays will be minimal.

The contractor will first grind the pavement at various locations and then return and complete the asphalt overlay. The project areas are listed below in the estimated order of work, however, work is expected to take place in different locations at the same time.

- North of Old Woman Springs Ranch to south of Dallas Road
- North of Larrea Drive to south of Pony Road
- North of Pony Drive to south of Old Woman Springs Ranch
- North of Lincoln Road to north of Gobar Road
- North of Haynes Road to north of Chuckwagon Road

The project is expected to be complete in late October 2005 and may have the assistance of the California Highway Patrol (CHP) for traffic control. Just a reminder that fines are doubled in a construction zone – so drive cautious and remember to ***SLOW FOR THE CONE ZONE!***
